My Dearest Sorors of the Eastern Region,

Over the next few days our country will recognize the 250th anniversary of its founding. Over the course of history, our democracy has been put to the test. Yet, we will continue to **fight the good fight** of our ancestors, including **our twenty-two Founders** who fought for women's freedom through the right to vote. They remained hopeful and we will remain hopeful as we fight for our country's **fulfillment of its promise**: 'liberty and justice for all'.

As your Candidate for Eastern Region Member of the National Finance Committee, my commitment will be to **fulfilling my promises to you**. I will support this work with purpose, professionalism and care while providing **practical training, clear guidance, and strategic support** so every chapter's financial officers can operate with **confidence and excellence**.

I believe in leading with integrity—ensuring **transparency, accountability, and strong financial practices** that protect our chapters and our Sisterhood. When we **collaborate, share knowledge, and support one another**, we all grow stronger together.

My sincere commitment reflects the understanding that financial officers don't just need information—our officers need **timely support, dependable communication, and a trusted resource** who is both **knowledgeable and reliable**.

I will show up, I will listen, and I will follow through.

If given the opportunity to serve, I look forward to supporting our chapters in the upcoming years and partnering with our fiscal officers to not only fulfill their roles and responsibilities, but to advance the learning and development of our Sorors in this critical area.

My **experience and perspective** undergirds my ability to **effectively execute** the duties and demands of this position. Sorors, simply put:

Wishing you and your loved ones a safe and peaceful 4th of July weekend.

With sisterly appreciation,

Soror Terri
