Today we pause to honor the courageous men and women who made the ultimate sacrifice in service to our nation. We remember their bravery, their selflessness, and the deep love they carried for their families, the community, and for our country.

As women - as sisters, mothers, and daughters - we understand the meaning of **sacrifice**. We know what it is to love, to support, and to carry forward the legacy of those we hold dear.

As **proud members** of Delta Sigma Theta Sorority, Inc., we are bound together by a legacy of sisterhood, service, and purpose. We are called not only to remember and honor that legacy, but to carry it forward in our communities and through intentional leadership. Sorors, I recognize the importance of **integrity, stewardship and responsible leadership and am committed to serving our sisterhood** with these principles at the forefront.

As I humbly seek your support for **Eastern Region Member of the National Finance Committee**, I ask you to **Bank on Me for F.D.I.C.** – **Financial Acumen**, grounded in years of experience, with the ability to support, guide, and understand various perspectives, in order to provide guidance that is both practical and strategic; **Dedication** to show up and serve you with consistency and to represent your voice; **Integrity** to lead with honesty, accountability, and trust; and **Collaboration** with each of you to ensure our chapters are trained, informed, and prepared to meet expectations with accuracy and timeliness.

On this day of remembrance, may we not only be inspired by what has been given, but by how we choose to serve moving forward. We must continue to lead our beloved sisterhood with the same spirit of commitment.

Yours in Delta,

Terri
